Authorization Statement and Signature

I, (Applicant Name)_____ am aware that DPHHS/ECFSD/CCL, has requested confidential information, in accordance with 41-3- 205(3) (o), MCA as part of a review of my personal background in connection with my status as a current or prospective employee of or volunteer for that entity.

I am aware that Child and Family Services Division (CFSD) and Department of Justice records may contain information that could adversely affect my employment or volunteer status/approval as outlined in ARM 37.95.161 and ARM 37.95.176. These records will relate to criminal history records, motor vehicle records as well as any report(s) of child abuse or neglect in Montana that indicates a risk to children. Records that indicate a risk to children are those that show a substantiation of child abuse/neglect on the person; and/or a history that shows that the person has had their caregiver rights to a child terminated. As a household member, I understand that I am also subject to the above requirements.

I am also aware that although the entities or individuals requesting and receiving confidential CFSD information are bound by law or agreement with Dept. of Public Health and Human Services (DPHHS) to protect or preserve its confidential nature, DPHHS has no ability or authority to ensure that confidentiality is maintained after this information is released by DPHHS.

In full acknowledgement of the above information and notice, I authorize CFSD to provide the requested confidential information to the provider or its authorized representative identified above, and I hereby also release CFSD from any claims or causes of action which may subsequently arise from release of this confidential information.

Applicant Rights and Consent to Fingerprint

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification¹ by _DPHHS/ECFSD/CCL_ that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.
- If you have a criminal history record, the officials deciding of your suitability for employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.²

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.³

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/about-us/cjis/background-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI at the same address as provided above. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency.

If a change, correction, or update needs to be made to a Montana criminal history record, or if you need additional information or assistance, please contact Montana Criminal Records and Identification Services at DOJCRISS@mt.gov or 406-444-3625.

Your signature below acknowledges this agency has informed you of your privacy rights for fingerprint-based background check requests used by the agency.
