

10 THINGS TO KNOW ABOUT THE BEST BEGINNINGS CHILD CARE SCHOLARSHIP

1. Who is eligible to receive the scholarship?

- Scholarship eligibility is based on income and other program requirements of the family applying for the program.
- Children must be attending a licensed child care facility that accepts best beginnings scholarship payments.

2. What does the scholarship cover?

- The scholarship is meant to supplement the cost of child care and will not cover your entire child care cost. The scholarship will cover work, school/training hours, and travel time.
- Any amount that is not paid by the scholarship is the responsibility of the parent. This may include days your provider bills for holidays, vacation/sick days, if your provider charges more than the State rate, and your co-pay.

3. Scholarship Requirements

- Two-parent families shall work at least 120 hours per month.
- Single-parent families shall work at least 60 hours per month.
- Single parent or two-parent families in which all the parents attend school/training full time, do not have to meet a work requirement.
- Single parent or two-parent families in which one or more of the parents attend school/training part time shall meet a work requirement that takes into account the education/training.
- Teen parents must be attending high school or a high school equivalency program.
- If you are on TANF, please discuss with your TANF case worker regarding their requirements.

4. Co-Payment

- The co-payment is determined based on a family's gross income and family size. The co-payment is a monthly payment that is paid directly to the child care provider.
- To show your co-payment has been paid, a copy of the receipt or a written statement from the provider must be turned in to the Butte 4-C's.
- Please contact your case worker for any changes regarding income as your co-payment may decrease.

5. Application and Forms

- The application is available online or in paper form. If you complete the application online, additional forms will need to be filled out and submitted to the Butte 4-C's for it to be complete.
- The application and additional forms can be found online at www.butte4cs.org, under "For Families".

6. Parent Application Responsibility

- Parents are responsible for turning in ALL paperwork regarding their scholarship. The Butte 4-C's will NOT accept any paperwork the child care provider turns in (except the invoice) regarding a family's scholarship. It is the parent's responsibility to contact their case worker with questions.

7. Call

- Please call the Butte 4-C's to make sure you are approved or if additional items are needed.
